Subject: Some Tweets re WV from Ken Ward & others

Is anyone in HQs monitoring Ken Ward's Twitter account (<https://twitter.com/Kenwardjr>) or should I be doing that?

2/2 from FAQ Short term exposure at these levels is not likely to cause any adverse health effects for you or your baby.

[Kenwardjr @Kenwardjr](#) 11h

Since Friday, I've been asking federal and state officials (and Eastman, which makes the stuff) to provide studies on chemical. No one will.

[Kenwardjr @Kenwardjr](#) 14h

Recall that [@GovTomblin](#) administration initially said they wouldn't release WV spill test results. Thanks to them for now posting online.
